### 16 17 **STATEMENT OF FACTS**

18 The Water System is classified as a transient noncommunity  
19 public water system with a population of 30, serving 5  
20 connections.

21  
22 Pursuant to Section 116530 of the CHSC, the Water System  
23 must submit a technical report to the State Water Board when  
24 requested. The State Water Board has established a requirement  
25 for public water systems to annually submit a technical report  
26 specifying contact and operational information for the prior  
27 calendar year. On March 17, 2017, the State Water Board sent  
28 to all public water systems an email notification that the Annual

1 Report for Calendar Year 2017 was due to be submitted by June  
2 1, 2018. This notice also included instructions on how to submit  
3 the report electronically to the State Water Board. The Water  
4 System failed to submit the report by the due date. On June 28,  
5 2018, the State Water Board sent a notice to the Water System  
6 that its 2017 Annual Report was past due. As of the date of this  
7 Citation, the State Water Board has not received the report from  
8 the Water System.

### 9 10 **DETERMINATION**

11 The Water System has failed to submit an electronic Annual  
12 Report for the Calendar year 2017. Consequently, the State  
13 Water Board has determined that the Water System violated  
14 CHSC, Division 104, Part 12, Chapter 4, Article 7, Section  
15 116530.

### 16 17 **DIRECTIVES**

18 The Water System is hereby directed to take the following  
19 actions:

24 provided in the notice contained in Appendix 2.

28 Water Board at the following address. The subject line for all

1 electronic submittals corresponding to this Citation shall include  
2 the following information: Water System name and number,

7 The State Water Board reserves the right to make modifications  
8 to this Citation as it may deem necessary to protect public health  
9 and safety. Such modifications may be issued as amendments  
10 to this Citation and shall be deemed effective upon issuance.

11  
12 Nothing in this Citation relieves the Water System of its obligation  
13 to meet the requirements of the California SDWA (CHSC,  
14 Division 104, Part 12, Chapter 4, commencing with Section  
15 116270), or of any regulation, standard, permit or order issued or  
16 adopted thereunder.

### 17 18 **PARTIES BOUND**

20 System, its owners, shareholders, officers, directors, agents,  
21 employees, contractors, successors, and assignees.

### 22 23 **SEVERABILITY**

24 The directives of this Citation are severable, and the Water  
25 System shall comply with each and every provision thereof,  
26 notwithstanding the effectiveness of any other provision.

27  
28

**FURTHER ENFORCEMENT ACTION**

The California SDWA authorizes the State Water Board to: issue a citation or order with assessment of administrative penalties to a public water system for violation or continued violation of the requirements of the California SDWA or any regulation, permit, standard, citation, or order issued or adopted thereunder including, but not limited to, failure to correct a violation identified in a citation or compliance order. The California SDWA also authorizes the State Water Board to take action to suspend or revoke a permit that has been issued to a public water system if the public water system has violated applicable law or regulations or has failed to comply with an order of the State Water Board, and to petition the superior court to take various enforcement measures against a public water system that has failed to comply with an order of the State Water Board. The State Water Board does not waive any further enforcement action by issuance of this Citation.
